Dear Mr. Dulles:

Under separate cover we are sending you a copy of Dr. David Mitrany's MARX AGAINST THE PEASANT, which will be published on April 5. It is a study of Marxist theory and practice in dealing with peasant movements in Europe during the past thirty years. While its focus is Europe, its applicability is worldwide, and we believe that it is worth careful study by anyone interested in the problem of waging successful ideological warfare on Communism in the peasant areas of the world.

Sincerely yours,
